Dear Lea Miller,

**Please read this carefully, failure to follow the instructions in this letter may result in revocation.**

This letter is in regards to the 6/18/14 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards. **This is because items are missing. Smoke detectors for bedrooms**

☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

**Need to place detector in each bedroom used for child care**

☐ 110.5(8) Children's Files

☐ 110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian.

**L.P., N.F**

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

**N.F**

☐ 110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

**L.P., N.F**

Reminder: On November 1, 2013 there will new forms for physicals (for provider, family and pets). There are other forms will be updated at that time. These forms will be required to be in files during the next checklist.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations BY 8/4/14.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur on or after 8/4/14.

Please do not hesitate to contact me if you have any questions regarding this letter.

Sincerely,

Glenda Currier

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. The Fire Marshal or Safety officers in your area are good sources for help setting up smoke detectors, fire extinguishers and other zoning questions.

A copy of this letter went to CCRR. You may contact CCRR for a follow-up visit. CCRR can help you get the forms and such you may need.
